ORDER:

In the letter read above, the Chief Engineer (R&B) CRN & MD, APRDC, Hyd., has stated that Dichpally to Nizamabad road is a multilane gateway to Nizamabad District headquarters and connects Nizamabad town with Dichpally mandal headquarters. Many agro based industries, sugar cane industries, educational institutes and cottage industries are located within 3 km on either side of the road. The vehicular traffic is increasing day by day and heavy vehicles carrying agricultural produce from surrounding villages to various market committees and commercial goods vehicles ply on this road regularly, due to which the present road width is not sufficient. The traffic intensity is 37259 PCUs per day.

2. He has also stated that the existing road from km 0/0 to 2/0 was recently sanctioned for four laning. The road from km 6/0 to 12/4 is having four lanes and km 12/4 to 14/4 is having six lanes. The balance reach from km 2/0 to 6/0 is having 10.5m wide carriageway and has become a bottleneck causing number of accidents. Hence it is proposed to widen this road from km 2/0 to 6/0 to four lane to facilitate free flow of traffic. The year of last renewal was 2009-10.

3. The Chief Engineer R&B) CRN & MD, APRDC, Hyd., has requested the Government to accord administrative sanction for the work of Widening and Improvements to Dichpally-Nizamabad road from km 2/0 to 6/0 in Nizamabad District, for an amount of Rs.4.50 Crores, under Corenet Plan.
